

First Wellness Testing and our local partner Ultima Medical Service offers together a premium services for our clients and a turn-key solution. We provide a highly streamlined process that ensures efficient data management and reliable reporting of results as well of a testing service:

**Our services include the following:**

- Co-ordination including logistics, contact person for the production, support person ...
- Staffing according to needs for daily testing
- Onsite testing, off site testing, home testing and clinic testing
- Laboratory with a 24 hrs TAT priority going forward with our new lab supplier.
- FWT unique IT system. To secure the chain of custody and quality of the registration and result process, our IT system is connected with the laboratory avoiding manual registration and reporting errors and therefore also improving the TAT and reporting of results
- Reporting to Local authorities of any positive cases.
- Weekly reporting if requested

We are pleased to inform, that we have a contract with a new Laboratory in Vancouver that just got its DAP approval. They have a dedicated capacity for FWT/Ultima with a 24 hrs TAT and a priority for all our samples.
